HE WANTS T.L.C. FROM THE BUSTY NURSES AT HOOTER HOSPITAL!

Dear Voluptuous,

Just wanted to send you a note to thank you for the wonderful DVD, *Hooter Hospital*, that came wrapped as a bonus with the February 2011 issue at the adult bookstore that I go to. All five girls are thrilling and they confirm my theory that, in general, naturally big-titted women are much more enthusiastic and talented porn stars than less well-endowed women. All five of your "nurses" are very expert cock-suckers. I was especially excited by Alanna Ackerman and I want to compliment her not only for her red-hot performance, but for her beautiful tan lines and for her selection of the sexiest nurse's uniform I have ever seen. Or is it a candy striper's uniform? No matter, I think that it's HOT! I have seen Alanna in your magazines before, but never fully realized how great she is until I saw this DVD. I always keep every issue for a year or two and my project for

Florida native, Alanna Ackerman and her 36F rack have inspired many a reader to write in and confess their undying love. With her pretty face, sultry eyes and penchant for very horny XXX performances, it is no wonder why she is a fan-favorite and V-mag staple.

today is to revisit past issues in which Alanna appears and just pleasure myself over her. Thank you again. I know that many readers don't get the bonus DVDs and they might not be gracious about it. But I'm sure that those who do get the DVDs will agree with me that they are much better than the ones we pay high prices for in the stores.—R.N., via the Internet

Dear R.N., Thanks for your email about Alanna Ackerman. She does great XXX and your V-mag editor has always been a big fan! You can check her out in the newly released *More To Fuck* and she also starred in *Big Fat Tits*. (Both available on page 9.) Her V-mag appearances are as follows; April 2008, November 2008, Holiday 2008, January 2010 and November 2010. You can pick up any issues you don't have

by turning to page 10 and checking out our back issues department. We hope to hear from you soon, R.N. and please enjoy this boner, er,

bonus shot of Alanna in her nurse's outfit!

CHRISTY MARKS' FANS ARE PRETTY PISSED OFF! UH-OH! LOOKOUT!

Dear Voluptuous,

I just got the February 2011 issue and had to comment on all the

Reader T.B. from Brooklyn, New York says that Christy's pussy is perfect and that when he sees it, he gets hungry. Well, bon appétit, buddy. This one's for you!

Christy Marks "hate" mail. I know this is a free country and everyone is entitled to their own opinion, but come on, you can never have too much Christy Marks! For proof of this one only has to look at the pic of Santa's stacked helpers on page 5. Of

all those V-mag greats, Christy is the hottest and prettiest of them all. But hey, if nobody else wants to see Christy anymore, then just send me a monthly magazine that's nothing but Christy. (Just to clarify- this is just my opinion and this in no way means I

Here are a few shots of Christy Marks for her loyal fans and for the readers who think that she is not curvy enough to be in *Voluptuous*. The debate rages on!

Christy is the

him. I, for one, would like you to put
more Christy in the magazine, as soon

do so when I saw the letter from a reader talking about Christy Marks in a negative way. I don't know who that jerk is, but he is clearly into very large women and maybe he shouldn't be reading V-mag. I am a woman and I love women of all shapes and sizes. I think it is in poor taste to insult a girl like Christy, who is not only sweet, but beautiful. She has a perfect body. I have always thought so. With women being told that their bodies are wrong and bad by advertising on television and in magazines, I think we should cut them some slack in V-mag. That guy is a jerk and you should bring Christy Marks back because she is the ultimate V-girl. Plus, who does that guy think he is anyway? T.N., I am sure YOU could NEVER score with a girl like Christy Marks. Maybe you should stick to your silly fantasy stories about fucking busty women instead of talking the trash you do about beautiful models.—B.E., Chicago, Illinois

HE WANTS A COUPLE OF CHERRY BRADY BEFORE AND AFTER PICS!*Dear Voluptuous,*

I was pumped when I saw that Cherry Brady had returned to your magazine after such a long hiatus. I was wondering if you could give us a shot of her from one of her prior appearances and one from her latest appearance. I just want to be able to see her then and now so I can compare how her body has changed. (I think for the better.) What say you, V-mag folks? Can you please grant this Cherry fan his one wish? —G.L., via the Internet

Natural Woman

Kitty Lee

The last time that we saw Kitty Lee, she was dressed up as a nympho nurse and administering CPR to a fat cock with her mouth and subsequently, her pussy in the June '09 issue of V-mag. (And who wouldn't want to be revived by that huge rack, eh?) Kitty, who starred in *Hooter Hospital* and the boner-buster, *XXX Chubby Twats*, is no stranger to riding the boner express. But here, we see a softer side of Kitty as she frolics in the garden with fruit. Yum!

Kitty Lee

Birthday: May 31, 1977

Age: 33 **Height:** 5'3"

Weight: 137 lbs. **Bra:** 36E

Measurements: 42-32-38

Lives: Los Angeles, California

Here we see Kitty rubbing fruit and water all over her amazing tits and body. She told us that she enjoyed shooting this set because she loves to be outdoors. What else does she like to do outdoors? Fuck, of course! "I love to do it out in the open and be wild and crazy," she said. Then she went on to school us about what she doesn't like; extra-huge cocks. "I don't like guys who have huge dicks. It's not like I don't like

them as people. I mean I don't like anything more than eight or nine inches. About nine-and-a-half inches, I think, is the biggest I can handle. People think porn stars can take gigantic dicks to the balls like it's nothing. But that's not the case. Sure we like sex more than the average person, but physically, we are not built for that kind of cock size. At least I am not. I enjoy sex with an average cock a lot more."

Kitty also says that the benefit of fucking a smaller cock is that she can cum faster...when it's in her ass! "If a guy has a decent-sized cock, I'll let him fuck my ass. But that's only if I really like a guy a lot. Anal is something that you do with someone you are really comfortable with and who can treat your ass right. I can cum from a cock in my ass, but I have to rub my pussy and clit at the same time. I'll be in the regular doggie-style position and I'll reach back and finger myself while my ass gets fucked. I like the feeling of having my ass stuffed full of big cock while my fingers flick and massage my clit. It's one of the best feelings in the world." Hey, Kitty, we really like watching your ass full of cock, too!

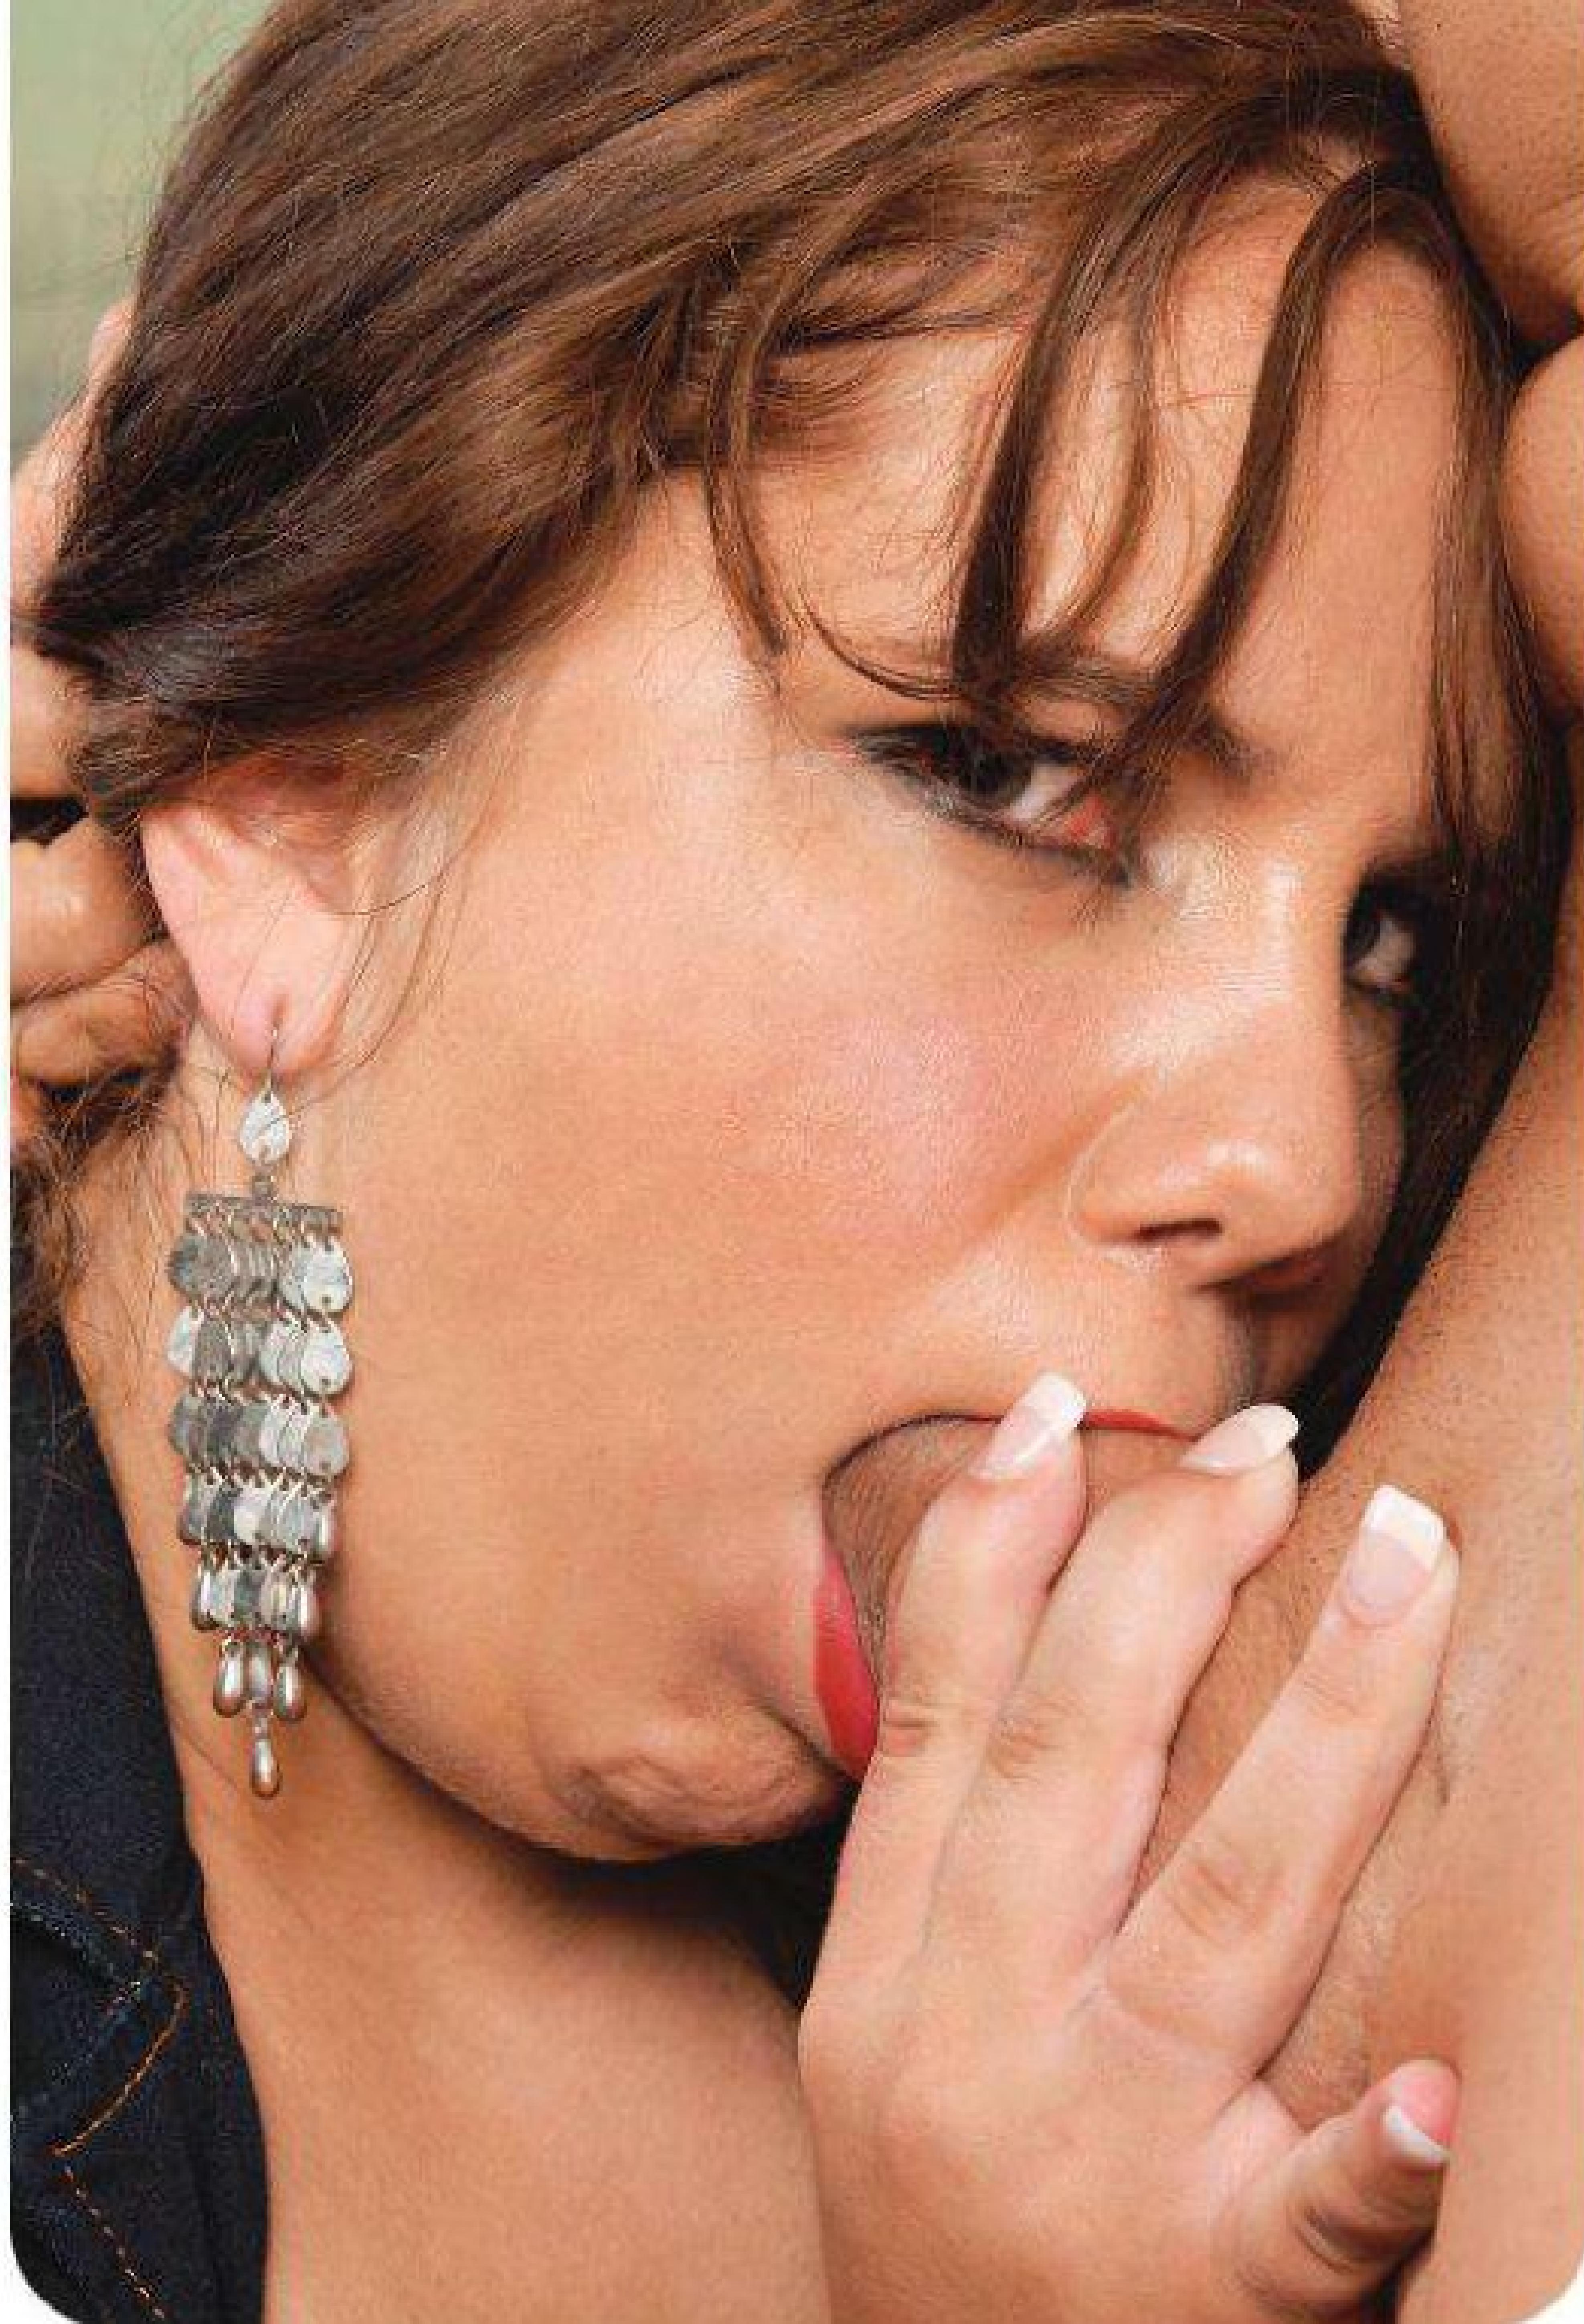

Daniella Grey

The last time we saw Ms. Grey, she was making her debut in the March '10 issue and, like most new models these days, it didn't take long for her to go from newbie to naughty and do XXX. Here we see Daniella acting out one of her favorite fantasies; seducing a guy she just met with her big, ripe titties.

V-Girl Seduction

And as you can see, it doesn't take long for this sex machine to score with this horny tit-lover, a situation that Daniella says she is used to. "I have never had a problem getting the guy that I want at the moment to give in to me," she said. "The kind of guys that I am attracted to are usually into big tits, so it's not hard for me to get them into bed. Guys are

pretty visual, so I like to wear low-cut tops and flaunt my cleavage. Once I see that a guy's eyes are glued to my breasts, I know I've got him. Then all it takes is some frisky flirting and I like to graze them with my tits, like it's an accident. It doesn't take much for him to get the hint that I want to be all over him. And I don't mind making the first move."

And once she has her man in her clutches, Daniella says she likes to be aggressive and call the shots in the bedroom, too. "Some girls are hesitant when it comes to sex, but not me. I think that a girl has to be aggressive and I am just that in the bedroom. I like to wo-manhandle men. [Laughs.] Guys like it when I climb on top of them and say dirty things and ride their cocks nice and slow. And they love it when I ask them to fuck me in the doggie-style position and then tell them to smack my ass. If he is good, I will look back and tell him to fuck my ass, too. I can come from anal, and I think it's hot to tell a guy to do it."

Michelle Bond

It has been a very long five years since brunette Brit stunner, Michelle Bond graced the pages of V-mag, but now she is back and her boobs are bigger than ever, so it was worth the wait! Sweet and friendly, Michelle is one of those girls who would be a perfect girlfriend. The kind of girl you take home to mom. (And that your dad wants to bang.)

A View to a Thrill

Our studio manager, Tushna, caught up with Michelle during the filming of *Big-Boob Finishing School* and Michelle spoke to her about her boob growth spurt. "As my body has kind of grown a bit, they've grown with me. The only thing that is different between now and years ago is that I don't party as much. I used to be stick-thin, and my boobs weren't that big because I partied a lot. But now, they've just grown," she said. Well, we think that's great!

A BLAST FROM THE PAST

Michelle made her *Voluptuous* magazine debut in the June 2002 issue (*above*). While *SCORE* readers might prefer the more slim-n-stacked version of Ms. Bond, around here, we prefer her new curves (*left*).

StoreMags.com

Now Michelle goes to work everyday in an office. "I recently got a job with a demolition party. We knock down houses! I work in the office. Before we knock the buildings down, we have to make sure the gas, the water, the electricity and everything else is disconnected, so I organize that. And the permits and general office kind of stuff. It's cool. I enjoy it." Well, she might work in demolition, but Michelle is guaranteed to erect quite a few cocks with this sultry pictorial!

Sunshine

Sunshine is one of V-mag readers' most-beloved models. Whether she is stacked, plump or preggo, her fans clamor over each and every one of her layouts. And why not? Looking at her pretty face, full tits and rock-solid legs, Sunshine is very easy on the eyes. That's why, when she was in our studios and recounted a lusty tale of once being the executive assistant to a CEO that she had the hots for, we had to let her live out her fantasy of seducing her boss in this sexy and stacked secretary pictorial.

Stacked Secretary

"When I was younger, I used to work in this busy import and export office as the executive assistant to the company's CEO. All of the other assistants and clerks were either older or really frumpy women. I was the only young, curvy lady in the office. Most of the guys who worked with me, worked in the warehouse portion of

the building, so there wasn't really any interaction between the male portion of the staff and the secretary pool. But that didn't matter because I had the biggest crush on my boss. I would wear the tightest tops and sweaters I could find to work so that my tits were practically busting out, just so he would notice me!"

When she caught him looking at her ass one day while she was filing, Sunshine took it upon herself to get her man! "I waited until everyone had gone home and then I unbuttoned my blouse all the way and walked into his office to hand him some files. When he saw my tits bulging out of my bra he pointed out that my shirt was wide open. I told him that I knew and smiled. He practically leaped out of his chair and we ended up having awesome sex on his desk!"

Interview by Tushna

Last year, Dors Feline visited the SCORE building in Miami while she was in the States for a convention. We had tried to link up with this goth, punk, alternative, fetishy, post-modernist glam babe quite a few times before, so when we finally got the chance, we were literally flippin' out over this hottie. Trying to control ourselves and not doing well at all (KK boobs can turn your brain into mashed potatoes!), we still managed to give Dors and her friends the guided tour. Unfortunately, we couldn't shoot Dors in our studio. (A revised US code prevents non-US citizens from modeling on US soil unless they have a special permit.) So we had to wait a whole year to schedule some camera time with this vivaciously vixenish and voluptuously curvy babydoll from the United Kingdom. Finally, after a lot of anticipation and finger

crossing, we were able to meet with Dors in Berlin, of all places. We shot this incredible Brit and instantly fell in love with her style and personality. As you know, we've always had a history with British girls, many of them going on to become superstars. Dors has that quality, too. She likes reading, shopping, chatting with fans and dressing up in her favorite outfits, a mixture of retro-glam, punk,

pin-up, modern burlesque, vintage and rock. She has 23 tats and it's likely there might be more in Dors' future. Despite her edgy look, this curvy kitten is quite the sweetheart. But don't take our word for it. Check out the interview conducted by our studio manager, Tushina, when these two ladies sat down to chat in a flat in Berlin. Dors said that she loves reading, shopping, chatting, Twittering,

dressing up and watching football (soccer to us Yankees). Her favorite TV shows are *Dexter* and *Family Guy* and her favorite movie is Guy Ritchie's *Snatch*. She says her favorite personal interests are tattoos, men with beards, spanking and bondage. She said she likes dressing in pink and wearing retro-style pin-up clothes. We know we say it a lot but, gentlemen, prepare to fall in love! Meow!

V-MAG: And just who do we have here today? Tell us your name.

DORS: [Laughs.] Hello, there. I'm Dors. Dors Feline, thank you.

V-MAG: You are looking very cute today. I like your top.

DORS: [Shakes big tits and laughs.]

V-MAG: Oh, and look at that! You are very talented, too.

DORS: [Laughs.] Thank you.

V-MAG: Where are you from?

DORS: I'm from the South of the UK. England, actually.

V-MAG: And what do you do

over there in the UK?

DORS: [Shakes and rubs tits.]

V-MAG: You do that?

DORS: [Laughs.] Oh, yeah. I am actually a big-boob model!

V-MAG: So, what do you like the most about modeling?

DORS: I get to take my clothes off! And do this! [Laughs while shaking and rubbing tits, again.]

V-MAG: And have you always been a nudist and an exhibitionist?

DORS: No, not always. Just when a camera comes out.

V-MAG: Yeah? You like being in front of the camera?

DORS: Oh, yeah! I love it.

V-MAG: Tell me what being in front of the lens does for you.

DORS: It makes me feel very sexy. It makes me want to pull everything off and be naked.

V-MAG: Apparently you don't like clothes, do you?

DORS: No. Not all the time.

V-MAG: But you do like dressing up in sexy clothes, don't you?

DORS: Oh, yeah. I love to wear sexy underwear and corsets and belts and garters. I love them.

V-MAG: And how long have you been wearing corsets, Dors?

DORS: Probably about five years.

V-MAG: And how old are you now, Ms. Feline?

DORS: I am 26 years old. A good age.

V-MAG: Okay so you have been dressing up since you were 21 years old. You were wearing sexy clothes, corsets and all that?

DORS: Oh, yeah. I love it.

V-MAG: And how did that begin? Why did you start? Wait. First tell us how big your boobs are.

DORS: They are 34KK.

V-MAG: 34KK? Wow! That's really huge. And when did your breasts first start growing?

DORS: I was about 14. They were a C-cup at that age.

V-MAG: And your breasts just grew, like, practically overnight?

DORS: Yeah, I had quite the growth spurt at that age.

V-MAG: Did you get teased a lot when you were younger?

DORS: Oh, yeah. They used to say that I stuffed my bra. And I never stuffed my bra. Not then, not now.

V-MAG: Were you ever shy and embarrassed about your boobs?

DORS: Yeah, I think when I was younger and the boys didn't like girls and stuff like that. They would poke fun of me a lot until they finally realized that girls with boobs were sexy and not people to make fun of.

V-MAG: When would you say was the turning point for you? When did you

Mighty Tit-ans!

**OUR
BIGGEST
TITS EVER!**

When Renee Ross first stepped into our studio, we knew she was going to be one of the great ones. With her 48-32-40 curves and her full, 40J rack, this former cheerleader and ER nurse was stunning. Renee quickly won over V-mag readers everywhere with her sunny smile, sweet disposition and extra-horny libido. (Her BJ instructional video is one of the most-watched videos in SCORELAND history.) Renee had this to say about titty-fucking and sucking cock. "I love to please men. It gets me excited to see them feeling good. I mean, I don't mind being pleased, but for me, it is all about their pleasure. I think that is what gets me off the most about being with someone." Amen to that, Ms. Ross! You are a super-titter and super-sex vixen, too!

Miosotis

Hailing from the Dominican Republic, Miosotis is one of the true natural wonders of the world. (And one of the biggest titters in our special!) Her KKK-cup breasts and 50-28-36 measurements only begin to tell her story. You could find girls with breasts as big as hers, but they would be 100 pounds overweight. Miosotis is one of the rare natural members of "The 20 Club," that exclusive group of busty girls whose chest measurement is at least 20-inches larger than their waist.

36KKK

Samantha 38 G

A top favorite since her first time in Voluptuous in 2002, Samantha 38G is one of V-mag's super-plumpers. With her pretty face and sassy personality, Samantha swept the 2009 Awards, taking XL Girl's top honors with model of the year and V-mag's Plumper of the Year award. What's left for this buxom blonde bomber to conquer now? Whatever she wants, that's what!

Gaynor 40G

Hailing from across the pond in Manchester, England, Gaynor and her 40G rack dominated V-mag in the big-boobed 90s! Known for her lush breasts and soft, padded belly, Gaynor was one of the first super-plumpers and mega-titters of V-mag. The Brits might be known for their polite demeanor and tea parties, but this UK diva was known for one thing: BIG TITS!

Kristina Milan 40J

Kristina Milan is our second super-titter from the Dominican Republic. When she made her V-mag debut, she was lactating. Scratch that. Milk was literally pouring from her 40J breasts! Readers went berserk over her milk-engorged cannons and the rest was mega-titter history! A stacked star was born!

Denise Davies 36JJ

"I was a EE on my 16th birthday! Even in the early photos, I was GG and now I am 36JJ," says Brit, Denise Davies. With her massive floppers, Denise became legendary almost overnight. However, more notable than her size are her 5-inch in diameter areolae! Incredible!

36J

Ashley Sage Ellison

Where do you start with Ashley? From the top of her head, to the tips of her toes, she is every inch a V-Girl and was destined for celebrity. From her beautiful face to her impeccable tits, this bombshell has already swept V-mag's 2009 Newcomer of the Year category and has her eye on the prize for V-mag's 2010 Model of the Year!

Natalie Fiore 36G

Natalie is one of those super-titters who just gets better and better over time. When she came to us as a newcomer, this French sex kitten was a 36DDD. Over the next three years, her bust blossomed into a 36G throwing her fans into a boob-loving frenzy. What is in store for Ms. Fiore? If history repeats itself: BIGGER TITS!

Sapphire 36HH

Probably THE most famous super-plumper in V-mag history is the ever gorgeous ginger, Sapphire. The only V-girl to ever win Plumper of the Year an impressive three times in a row, Sapphire has cemented herself into V-mag history and made all of your cocks harder than cement, too. With her HH-cups, she is sure to claim many more awards in her career.

Maria Moore 36FF

Maria Moore is a Voluptuous dream girl-next-door. Her 36FF tits are not only huge, but firm and ripe. She has had a very successful career and has starred in over seven hardcore DVDs. What did she have to say about her huge rack and being named one of the greatest super-titters of all time? "I love my boobs!" And we love them, too, Maria!

Sunny Dee is one of those slim-and-stacked V-girls with a sparkling smile and more-than-memorable areolae. (She reminds us of Delotta Brown because of her large, dark dugs.) Sunny loves the attention from her fans and says that she is single and ready to mingle if she finds the right guy. "I love to go out on fun dates," She said. "I get a lot of male attention when I out, so I know that guys like what they see. They wolf whistle and make dirty comments every time I step out of my apartment or office. I guess my curves make men wild. When I am out on dates, I love to get pampered. I think that a man should always be the man, taking care of what a woman wants. I expect a man who dates me to handle everything and pay for everything. I don't like guys who sponge off of girls. That's not being responsible or a real man. A guy should treat me like I am very special. I respond to that."

Sunny said that she likes to wear tight, curve-hugging clothes that show off her lush, plush body and her big tits. "I have sex about twice a week, more on a better week," says Sunny. "I like it best when a man eats me out. A man with a talented, horny tongue is worth a lot to me. Not enough guys take the time to lick my pussy the right way. I don't masturbate very often unless I have to, so when it comes down to it, I could lay back and have my pussy licked for an hour. I love the way it feels. And a thick cock is real nice. A guy doesn't have to be long, too long is not for me, but I love thick-ness, a thick meaty cock that can fill me up. In New York, a lot of guys talk the talk but it takes a lot to get this girl in the bedroom."

start to feel more confident?

DORS: Probably when I was around 18 years old. I started going out to night-clubs, getting all dressed up.

V-MAG: So, did you ever use your breasts to get what you want, Dors?

DORS: [Laughs.] Oh, yeah! I do that all the time.

V-MAG: Oh, yeah? Like what?

DORS: [Laughs.] Um, you get drinks at the bar quicker. You give a good lean on the bar and the bartender notices your cleavage and comes right over to

V-MAG: So free drinks?

DORS: [Laughs.] Oh, yeah, lots of free drinks. And getting into places for free. Getting through lines quicker when guys say, ‘Oh, hi! Here, cut in front of me.’ [Laughs.]

V-MAG: When you walk down the street on an average day, what would we see you wearing?

DORS: Um, normally I like to wear tight jeans and cute tops.

V-MAG: Now you have quite the big caboose, too, don’t you?

DORS: Yeah. I am a very curvy girl.

V-MAG: So you are not just about the boobs, are you Doris? You also have a big ass, too, huh?

DORS: Yeah, I have a lot of curves.

V-MAG: So you like to wear tight jeans when you go out and...

DORS: I’ll wear a tight top with a deep V-neck so that my curves can be seen.

V-MAG: And what would you say is your favorite outfit to put on to go out?

DORS: I like to wear band T-shirts that I cut up. Usually I will cut off the neck so that they hang off my shoulders and

show off all of my tattoos. I will wear really tight jeans and I love my high heels. I will not go anywhere without my high heels.

V-MAG: We love girls who wear high heels all the time. You walk very well in them, by the way. You have really great balance for someone who is very top-heavy.

DORS: [Laughs.] I haven't fallen over, yet. Thank goodness.

V-MAG: And you have a lot of ink. Let's talk about that. It seems like you have quite the addiction.

DORS: [Laughs.] Oh, I love it.

V-MAG: Tell us about your tattoos.

DORS: Well, they don't really have meanings. But if I see a picture and I really like it, or I see something and I think I can add it to something I have and it will be cool, then I do. I like all of my things. They are all things that I really like. Like my right arm is of all my pinup girls and old-fashioned things like my perfume bottle. So it's me, but there is no, like, real story. It's just stuff that I really like.

V-MAG: Gotcha. So you want to keep those things with you. Your tattoos give you a very unique look. How would you describe your style?

DORS: Well, I like my vintage pinup look, but then I also have a lot of tattoos. So, I am a bit alternative, but a little vintage as well.

V-MAG: What are some of the reactions that you have when you walk down the street, Dors?

DORS: [Laughs.] They say, 'Holy shit! Look at her tits!'

V-MAG: So, do people notice your tits or your tats more?

DORS: Well, I prefer tats.

V-MAG: Really? Why tats? Because you can see them more? Do your tits block your view a lot?

DORS: [Squeezes tits together.] Yeah.

V-MAG: Do you have a hard time putting things on, like your shoes?

DORS: [Laughs.] All the time. They just get in the way. I just see my boobs. I have to put on my shoes to the side because I can't see down.

V-MAG: And do you have a particular way that you sleep at night?

DORS: I sleep on my side, not on my back because of the weight.

V-MAG: How heavy do you think that your breasts are?

DORS: Probably like 14-16 pounds. I tried to weigh them once, but they broke the scale. [Laughs.]

V-MAG: Let's talk about what turns you on Dors. Are you into guys? Girls?

DORS: If I am drunk, than it can be the girls. But most of the time, it's guys.

V-MAG: So, let's say that a guy comes up to you. Let's say he approaches you and you think he is nice. What could he say to you that would make you give him a chance? Maybe sway you to look in his direction?

DORS: Um, I like guys who make me laugh. So, if he came up and said something funny, I would like that. But nothing like, "Nice tats, I mean, tits."

"I am very romantic. [I'd like to go] for a nice meal somewhere...all alone so we could chat."

Or something like that. Guys make that joke a lot and it's like, not funny. But if he came up and made a good joke, or if he told me a funny story, I would like that. Or if he was wearing a shirt with something funny on it, to sort of break the ice, then I would like that. Then maybe we could talk about films or something or comedies. Laughter. I like a lot of laughter.

V-MAG: Where would you like the right kind of guy to take you on a date?

DORS: Somewhere nice, like a picnic. I am very old-fashioned.

V-MAG: You're old-fashioned?

DORS: Yeah, I am very romantic. Like, maybe for a nice meal somewhere. Maybe in a small booth, secluded in a corner, all alone so we could chat.

V-MAG: And how many dates would you say that it takes before a guy can get lucky with you?

DORS: [Laughs.] Um, maybe four or five.

V-MAG: Okay, so four or five dates and he might get in there...

DORS: Or, if he is really hot...maybe three. Or maybe two? [Laughs.]

V-MAG: Okay, so it depends on the guy.

Scarlett Rouge is a stacked sweetie from Buffalo, New York who made cocks stiff all over the world when she debuted in the November '09 issue of V-mag. Since then, the blonde bomber has starred in *Super Sized Rides 2* and *Sex In The Titties* and has quickly become a fan favorite. What do V-mag readers love most about her? The horny look in her eyes!

Scarlett Rouge

The college student said she spends her time studying, but isn't a study nerd. In fact, she welcomes interruptions from, um, study buddies. "I have had guys knock on my dorm room door and when I answer it, they just flat-out ask me if I want to fuck. I always say yes. I love to fuck and even though I have a girlfriend, she doesn't mind watching me do a guy."

And what are your hobbies?

DORS: Um, I like to do quite a bit of reading. I love to read biographies. I love anything about people. Oh, and shopping. I love my shopping! Is that a hobby? [Laughs.]

V-MAG: Shopping? What do you like to buy when you are out?

DORS: Clothes, shoes and handbags. I love my handbags!

V-MAG: And how many purses would you say you own?

DORS: Um, about 100? Yeah. 100.

V-MAG: How many bras do you own?

DORS: [Laughs.] About 20.

V-MAG: Well, you can't put your boobs in your purses, can you?

DORS: [Laughs.] No, sadly, I cannot.

V-MAG: Do you always wear a bra?

DORS: During the day, yes. But never at night. During the night, if I am laying in bed with someone, they like to have themselves a squeeze during the night and a bra would get in the way.

V-MAG: So, do you find it difficult to buy bras or find bras in stores?

DORS: Yes! There are no stores that sell bras my size, so it's very hard. I have to buy smaller bras and sort of squeeze into them to get them to fit. And then, my breasts are sort of overflowing and spilling out of my bras. It's hard, but I just end up pushing myself into a smaller size and that makes my boobs look even bigger sometimes.

V-MAG: Hey, we like small bras on big boobs. We think they look nice. Do you go to a particular store?

DORS: Well, I usually shop online and buy the sizes that are available. There are certain companies that do larger sizes. Sometimes I go to one store in England that has, like, big bras. But even then, they are not my size. But I will just, like squeeze into them and make them fit.

V-MAG: Well, this is the end of our interview, but before we go, would you take your boobs out for us?

DORS: [Laughs.] Of course! Here you go. [Pulls out tits and shakes them.]

V-MAG: Look at that! They are so full and firm looking. Dors, you have amazing tit control. We have to say that you really are a beautiful gal. And thank you for this interview!

DORS: Aww, thank you. That was very sweet. Thank you to all my fans!

Dear D.D., We received your letter and while we couldn't put together a super-titters issue, we did put together a super-titters special. It starts on page 54 of this issue. Enjoy every huge-breasted second of it, pal.

HE SAYS THAT VALORY IRENE IS A DREAM!

Dear Voluptuous,

Tell CEO John Fox he's gotta a hit in Valory Irene. I saw her featured in SCORE's February issue, too (Nice double-play!). Whether it's a string bikini or dressed as Santa's Secret Elf, she has that natural beauty to pull it off. Just one thing: When she poses again, have her show those pearly whites as she smiles, despite her shyness. As you turn through her set, it seems like she wants to smile, but no dice, especially on pp. 47-49. Hope she decides to stay! Indy, Norfolk, VA

Dear Indy, We have heard a lot of comments about Valory's hesitant smile. So we

decided to explain right here and now. Valory, who is one of the sweetest and nicest models around, has braces and while we find them to be kind of cute and endearing, she doesn't smile because she thinks that her fans will not like them. Maybe you guys should write in and encourage this hot find to smile despite her braces? A girl loves a little encouragement. What say you, V-mag readers? If a gal has a body like Valory's, does it matter if she has braces? We would love to hear your opinions on the matter!

V-MAG IS THE GREAT-EST TIT MAG AROUND!

Dear Voluptuous,

It's been a while since I last wrote my favorite magazine and just wanted to drop you a line to say hello and to once again thank you for your awesome publication. I so look forward to that time of the month when I open my mailbox to discover the latest issue. I consider *Voluptuous* to be not only a magazine but a world onto itself. The fantasies your beautiful models induce are sorely needed and welcome in my spank-bank. I love to leaf thru the pages anticipating the next sexy, hard-on producing picture. I have been a subscriber for over 10 years and am very proud of my huge collection. I enjoy your videos very much, also (I own over 50 of them!). I love to watch those babes bathing, trying on lingerie, playing with themselves, and engaging in hardcore action with some very lucky fellows. I love everything about V mag, actually! Just in case you are interested, I thought I would include in this letter a short list of a few faves.

Karina Hart wins for best legs. They are creamy white with a lovely shape to them. She has sexy, curvy calves leading up into luscious thighs that I would love to suck on forever. Nicest ass goes to Cherry Brady. It's perfectly shaped and packed. Such a beautiful behind that I would give anything to kiss, lick, and bite it for hours on end. Nicest tits goes to Kerry Marie. They are big but not too big. They're jiggly and somewhat firm at the same time. Her areolae and nipples have great size and color, which compliment those nice mams. Prettiest face goes to Lorna Morgan. She has beautiful eyes, lips, and cheeks. And that sweet, innocent, pretty smile of hers simply melts my heart.

Once again I want to say *Voluptuous* is great. Keep up the good work and thank you!—M.C., Woodhaven, Michigan

V-girl and entrepreneur, Alix Lakehurst played the role of a horny construction worker in the March '11 issue of V-mag and told us that she likes average guys who are smart and maybe a little pudgy. That didn't stop her, however, from getting fucking drilled by Lucas and his big, black cock in this

horny pictorial. In fact, if you were to look at Alix's face in this photo, you will see nothing but smiles and the expectation of one hell of a ride. While Alix is known for her raunchy and very jack-worthy XXX scenes, you've never seen her like this, and frankly, she looks real good like this, too.

With her full tits and hot ass, it's hard not to imagine Alix getting drilled like this all the time. She looks like she's built for sex. And while she has been known to venture over to the ladies for sexual satisfaction, Alix told us that the only way that she is really satisfied is when she's sitting on a big, fat cock.

Alix was recently in our studios filming her next movie, *Big Girl Strip Club* where she plays, yeah you guessed it, a curvy dancer who takes her customers to the VIP room for a friction dance and an old-fashioned knob polishing. What did Alix like about being on set with a bunch of horny, stacked babes like herself? All the sexual energy on the set. "It was hot to be surrounded by so many hot ladies who like to fuck as much as I do," she said. "It was not only hot to do my scenes, but to also watch the other ladies going at it. I like to watch and seeing them fuck made me really horny and ready to do my XXX shoot."

And Alix's horny disposition really comes center stage in this layout. She sits on this stud's cock and lets her magic pussy go to work, squeezing and creaming all over his massive sch-long until he can't take any more and explodes all over her chest. This piping and hot load should keep Alix happy for at least a day or so, but then she is bound to get horny for cock all over again. Because a girl this curvaceous has a strong need for hot beef injections every day and twice on Sunday!
